Simply the best...when only the best will do.

For 25 years, Tiffany Williams has managed rental homes on the island in a manner that she describes as similar to managing her own home—with utmost care. Along the way, she's also personally helped many a guest find the perfect vacation home on Bald Head Island. One client at a time, she's built Tiffany's Beach Properties into the thriving premier boutique vacation rental management and real estate sales business that it is today.

In 2014, Tiffany brought on Kurt Bonney to handle the sales side of the business. One of the most knowledgeable brokers on the island, Kurt has listed and sold many island properties. He keeps clients informed on all facets of the real estate market, whether searching diligently for just the right property for you or passing along feedback on your real estate showings.

Together, along with a staff dedicated to hands-on customer service and maintenance, the team strives to deliver the best experience for both owners and guests.
